

Audit and Review

Human Trafficking In Indiana

This lecture will help in the understanding of human trafficking in Indiana. It will cover the scope of the issue; recognizing risk factors that lead to heightened vulnerability and red flags that may indicate a trafficking situation; understanding reasons victims don't self-identify or reach out for help; identifying trafficked individuals and reporting tips; connecting survivors with resources and services.

Presented by:

Indiana Trafficking Victim Assistance Program

Hosted By: Goshen EMS Education

Where: Goshen Hospital Birch /Walnut

When: Tuesday Nov. 6

Time:1830
